

Yousef Mohamed

Machine Learning & AI Engineer

www.linkedin.com/in/illysvvv | github.com/yumuhvmed | Phone Number: 01027854570 | Email: illysvvv@gmail.com

Summary

An ambitious Computer Science student and detail-oriented Machine Learning Engineer with a solid background in AI algorithms, data-driven solutions, and mathematical modeling. Skilled in developing end-to-end ML workflows using Python, NumPy, Pandas, Scikit-Learn, and modern frameworks, with practical knowledge in Computer Vision, REST APIs (FastAPI), and Large Language Model (LLM) integrations. Adept at transforming complex datasets into actionable insights and high-performance predictive systems.

Education

- Bachelor of Computer Science (Level 3)** 2024 - 2028 (Expected)
Misr Higher Institute for Engineering and Technology (MET)

Experience

- Machine Learning Trainee, Digital Egypt Pioneers Initiative (DEPI)** Jul 2026 - Present
Participating in an intensive 6-month specialized Machine Learning track focused on practical AI applications and enterprise workflow integration. Mastering advanced ML model architectures, data cleaning methodologies, hyperparameter tuning, and statistical evaluation metrics. Collaborating on real-world projects to deliver end-to-end Machine Learning pipelines.
- Connectors Team Volunteer** Jul 2025 - Present
Active member of the Connectors team, contributing to group initiatives and community-driven projects. Developed strong teamwork, communication, and interpersonal skills through continuous collaboration with cross-functional team members to achieve shared goals and deliver impactful results.

Projects

- No Projects yet

Technical And Personal Skills

TECHNICAL SKILLS

- Programming Languages: Python, C++, C#, JavaScript
- Libraries & Tools: Scikit-Learn, Pandas, NumPy, OpenCV, FastAPI, Git, Prompt Engineering
- Core Competencies: Machine Learning, Deep Learning, Natural Language Processing (NLP), Data Structures & Algorithms, LLM Integration

PERSONAL SKILLS

- Adaptability & Problem Solving
- Communication Skills
- Teamwork & Self-Motivated

- Eager to Learn & Research

Languages

- Arabic - Native Language
- English – Very Good
- German - Good
